

IMPORTANT INFORMATION!

Dear Customer:

Thank you for entrusting Bee Green with the health and wellbeing of your home/business. As we work together as a community and nation to better understand and mitigate the spread of the novel Coronavirus, we are all being asked to adhere to new guidelines and to do our best to practice social distancing.

Please know that as protectors of public health, food and property, we take our role in safeguarding your quality of life very seriously. Pest control professionals are responsible for protecting against rodents, insects, arachnids and other pests that can damage property and threaten people's health through the spread of disease and bacteria, in addition to inflicting painful bites and stings. Our critical services extend into people's homes and businesses, as well as major commercial operations such as healthcare facilities, food processing facilities and more.

We strongly encourage everyone to follow the advice set forth by the U.S. Centers for Disease Control and Prevention (CDC) and our government leaders. As an organization, we are taking additional measures to ensure we provide the best level of protection for both our customers and our employees. For more information you can check our website at www.Beegreen365.com. This letter also serves to inform you that as of March 20, 2020, Bee Green will be operating on a normal and uninterrupted service schedule.

If you have questions about your routine service or are experiencing a pest control problem, please call your Service Team @ 813-661-9300 or email us Sales.BeeGreen365@gmail.com. We will do our best to provide you with the level of service and satisfaction you've come to expect and deserve from Bee Green.

Thank you again for your continued trust and we wish you safety, health and peace during this difficult and unprecedented time. We will all get through this together.

Sincerely,

Team Members

Bee Green
